

Kentucky Strengthening Families: Levels of Involvement

To engage various systems across Kentucky into the Strengthening Families framework, Kentucky Strengthening Families (KYSF) offers various levels of involvement to organizations and individuals representing these systems.

This enables organizations and individuals to choose the level of involvement in KYSF based upon their current priorities, resources and needs. It also allows for organizations and individuals within similar systems to collaborate and share resources.

| Leadership Level | Partner Level | Advocate Level |
|--|---|---|
| <p>Organization or individual is committed to advancing Strengthening Families at the state-wide level.</p> <p>Some examples of participation at the Leadership Level are:</p> <ul style="list-style-type: none"> • Is responsible for setting and monitoring strategic priorities for KYSF. • Serves as a member of the Leadership Council. • Participants in KYSF work groups. • Offers organizational resources to state-wide endeavors/efforts. • Promotes the Six Protective Factors throughout the state. | <p>Organization or individual practices align with the Strengthening Families framework.</p> <p>Some examples of participation at the Partner Level are:</p> <ul style="list-style-type: none"> • Participates in a KYSF learning community. • Has resources dedicated to implementing the Strengthening Families six Protective Factors when working with families. • Is willing to participate in Strengthening Families pilots and collect data for state-wide efforts. • May serve on the Leadership Council. • May have staff trained as approved Strengthening Families trainers. • Promotes Protective Factors regionally. • Promotes System of Care and Trauma-Informed Care frameworks. | <p>Organization or own values align with Strengthening Families framework.</p> <p>Some examples of participation at the Advocate Level are:</p> <ul style="list-style-type: none"> • Has participated in Family Thrive training. • Is up-to-date with KYSF initiatives. • Encourages conversations and activities that support the six Protective Factors for families. • Hosted Family Thrive trainings within your community. |
